"The World of Coca-Cola is a world full of lies, deception, immorality, corruption, and widespread labor, human rights and environmental abuses!"

Ray Rogers, Director, Campaign to Stop Killer Coke

Unthinkable!

Coca-Cola has brought great hardship and despair to people and communities throughout the world. Coke's beverages — including **Dasani, Fanta, Minute Maid, Nestea, Odwalla, Powerade, Sprite, Tab,** and others — should be thought of as "Unthinkable! Undrinkable!"

Undrinkable!

Help us stop Coke's worldwide abuses including:

- Reported complicity in the murder, torture, and death threats against unionists in Colombia
- Union-busting policies in Nicaragua, Turkey, Indonesia and worldwide
- Benefiting from dangerous child labor in sugar cane fields
- Exploitation and pollution of water resources in India, Mexico and elsewhere
- Aggressive marketing of harmful soft drinks to children
- History of racial discrimination
